

## Schnittschutzhose Technical Extreme

Die Husqvarna Technical Extreme Bundhosen bieten dem Nutzer Schnittschutz der Klasse 1 und den benötigten Komfort für längere Arbeitstage. Die leichte, wasserabweisende 4-Wege-Stretchhose wurde speziell für anspruchsvolle professionelle Forstarbeiten entwickelt und passt sich dem Körper an. Das einzigartige Tech-Knee bietet zusätzlichen Sägeschutz in allen Arbeitspositionen, auch wenn das Knie gebeugt ist. Erhältlich in den Größen XS-XXL, geeignet für Mann und Frau durch verstellbare Passform. Schnittschutzklasse 1, 20 m/s Design A Frontschutz

### 4-way stretch fabric

Our light 4-way stretch fabric is used for areas that require great movability. The stretch material ensures a comfortable and customizable fit that works for different body types, making the chainsaw trousers suitable for both men and women.

### Well ventilated

Adjust the airflow to your liking with the zippers at the back of the legs. The back pockets also provide airflow when opened. The mesh lining allows for optimal ventilation while wearing, and quick drying after washing.

### Tailor-made saw protection

The innovative Tech-Knee provides excellent saw protection with additional fibre layers for extra protection, especially in situations where the trousers fit tight to the knee. The knee also has a water-resistant inner lining and an outer layer made of water-repellent fabric, keeping water and moisture from penetrating the saw protection layers.

### Reinforced with Cordura® and Dyneema®

To create lighter and more durable chainsaw trousers, 4-way ripstop stretch material is used in the crotch, along with Cordura on the knees and lower part of the legs.

## MERKMALE

- The innovative Husqvarna Tech-Knee offers additional protective layers, pre-shaped fabric, and a water-repellent construction.
- Mesh lining and zippers at the backside for maximum ventilation and comfort
- 4-way stretch fabric that provides comfortable movement
- Excellent durability thanks to reinforcements with light and robust Cordura® and Dyneema® fabrics
- Designed with loggers in mind, these trousers have lace hooks, ankle straps, braces, and an extended back for comfort.
- Adjust size with waistband and hook and loop closures
- Multiple pockets to keep belongings safe and easily accessible
